Today your preschooler heard the story of Adam and Eve and learned that God gave them good things to do. God wanted Adam and Eve to take care of the garden and everything in it. That means taking care of the land, the plants, and the animals. Your preschooler made these heart shaped bird feeders to help take care of the birds because God gave us good things to do like... being kind and loving to everyone, helping your neighbor, and taking care of the things God made. Hang the birdfeeder outside a window and enjoy watching the birds eat. You can read more of the story in your Bible in Genesis 1:27-28; 2:15, 19-20.
