## Nesting Story Cups

Your preschooler made nesting story cups to go with the Bible Story they learned today about King Josiah (2 Chronicles 34). Use the words below to talk about the story with your child while you line up and stack the cups together:

1. King Josiah loved God. He knew that God's plans are best.
2. While King Josiah's builders were fixing the temple, they found a scroll with God's words on it. They quickly took God's words to King Josiah!
3. King Josiah had God's words read to all the people so they would know that God's plans are best too.

God's plans were best for King Josiah and the people, and God's plans are best for you and me too!
