

Cooperation is working together to do more than you can do alone.

DAY

1

Invite Them

Think of someone you have been praying for this month. This week, think of a way to invite them to do something with you to help someone else. By doing something together, you can show them and talk with them about Jesus AND serve others! Make a plan to work together.

LOOK for people that you can serve with.

DAY

3

Preach!

Mark 16:15 says: “He said to them, ‘Go into all the world. Preach the good news to everyone.’”

With some help, write this verse on a sheet of paper or a whiteboard. However, take out the last word, “everyone,” and add the names of friends and family you want to share Jesus with.

ASK Jesus to help you tell others about Him!

DAY

2

One Body, Many Parts

When we follow Jesus, we are part of a bigger “body.” The Bible calls it the body of Christ, and as a body, we all have a part to play! What are you good at? Who is good at something that you aren’t good at? Draw a picture of you and that person working together.

KNOW that when you work with others, you can do better together.

DAY

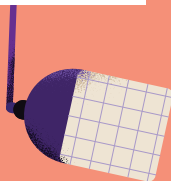

4

Point Them to Jesus

You can pray your own prayer, asking God to help you point others to Jesus, or pray the one below.

~~~~~  
 “Dear God, help me to point others to Jesus. Help me to show them how I am different because of You. I want to be a good example in front of my church friends, school friends, family, and others around me. Please help me point others to You. Amen.”  
 ~~~~~

THANK God you can help point others to Jesus.

Work together to point people to Jesus.

How can you use your brain, eyes, hands, and feet to help point others to Jesus? Color in something you can do this week!
