

Team Playbook

1

Kindness & Respect.

We build with kindness. We are kind with our words, our behaviour, our responses, and our actions. No one is exempt from this or graduates from this.

2

Replace Yourself.

We understand that things come up. However, as responsible adults, we kindly ask that if you can't make your committed time, please find a replacement or swap with a fellow SuperCity teammate.

3

Come with Faith.

Kids Ministry requires faith. Each Sunday is like leaving a single brick in the wall of these kids lives, it's long but its worth it. Come prayed up, come full of faith! Game face on, we are in the business of changing lives and destinies.

4

Honour the Team with your Time.

Just a friendly reminder: lateness is lame. Let's respect everyone's time by arriving promptly. Your punctuality keeps things running smoothly and shows commitment to this awesome team. Thanks!
