

**GOD'S
MISSION**

SUPERCITY

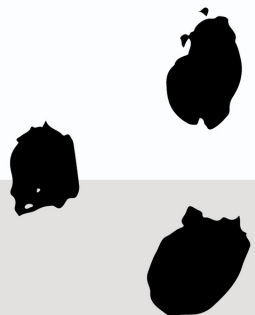

DEAR PARENTS,

This weeks lesson is based on Matthew 5:13-16. We can live differently because of Jesus.

When Jesus was on Earth, he lived very differently from the people around him.

The most amazing thing is that when we put our trust in Jesus to save us, he works inside our hearts to make us more like him. He gives us the courage to live differently to the world around us too.

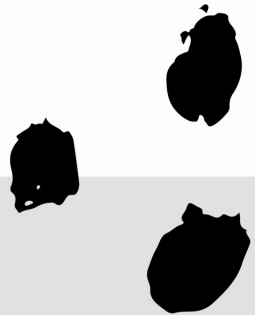

DISCUSSION POINTS

Salt of the world:

- Salt can clean wounds, it adds flavour to food and it can prevent food from rotting.
- In the same way, Jesus adds flavour to our lives. Because of what he did on the cross for us, we will not rot because of our sins.
- Living as the salt of the earth means that we are living to show people Jesus.

Light of the world:

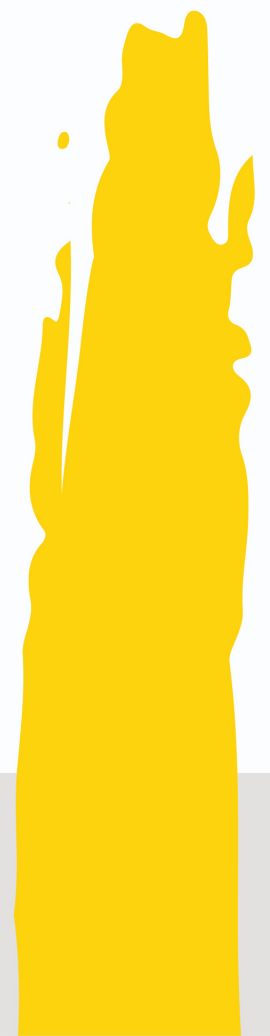

- A torch needs batteries for it to shine.
 - In the same way, we need Jesus to shine through us so that we can live differently to the world.
 - We can let Jesus shine through us everyday, in the way we live in his kindness, love and peace.
